## **FOR BETRAYING FARMWORKERS**

**Imagine being denied:

The Right to Bargain Collectively**

**Did you know that farmworkers have been excluded from these rights (which most other New Yorkers have) since the 1930's?**

**This injustice continues today in New York as we exclude farmworkers from many basic human rights through our labor law. . . . California, with Cesar Chavez, gave farmworkers these rights over forty years ago!**

**Did you know that Senator Dilan had a chance to change these laws and HE SAID NO!? He voted against giving New York's farmworkers these basic human rights.**

**Why is  
Senator Dilan against basic rights  
for our farmworker brothers and  
sisters?**

**Call Senator Dilan**  
Tell him that you don't want a Senator  
that is against treating farmworkers  
equally!

Dear Mr. Wells:

Thank you for your recent meeting with my Counsel, Liz Navran. She has brought me up to date on the Farmworkers Fair Labor Practices Act. I am fully in support of the mission of your Coalition and will be happy to vote in favor of Senate Bill 2247.

Please let me know if there is anything I can do to assist you further. I wish you and the entire Coalition the best of luck in promoting the passage of this legislation.

Sincerely,  
  
 Martin Malave Dilan

“[Senator] Sampson did so even though his party - with a few exceptions, like Aubertine and Brooklyn's Martin Dilan - is standing tall for the farmworkers. Less than a year ago, Dilan wrote that he was "fully in support" and "happy to vote in favor of" the bill. Now, profile in cowardice, he has flipped.”
